**DEAR CUSTOMER:**

In just a few weeks from now it will be planting time in many parts of the country, BUT NOW is ordering time. By this time our catalog called GARDEN SUCCESS must have reached you, and we wish to call your attention to the 10% Cash Discount that will expire on March 5th. (Page 13)

Order now for more than one reason—First you will save 10% on the dollar on most items in the catalog—Second, you will get what you order as later on as the season advances, we will be sold out of a good many items. Place your order now, and we will book it, send you a copy acknowledging it, as a receipt, and send it to you in the Spring when you are ready for it. Plants dug fresh for each order.

(Seneca Grape and DWARF Bartlett Pear are no longer available.)

**TERMS:** Remittance with order, or half with order and balance can be paid before shipping time. Send money order, personal check or cash.

Don't overlook Bargain collection A & B on the other side.
